The TAA is an INDUSTRY-UNITED INITIATIVE

The non-profit 501(c)(3) Thoroughbred Aftercare Alliance **accredits, inspects** and **awards** grants to approved aftercare organizations to retrain, retire and rehome Thoroughbreds using industry-wide funding.

THE TAA DIFFERENCE

ACCREDIT

We provide a professional and rigorous accreditation process for aftercare organizations.

AWARD

We provide financial assistance through grants earmarked for equine care.

INSPECT

We diligently and annually inspect our organizations and their approach to aftercare.

LIFE AFTER RACING

Thoroughbreds are versatile horses that can excel in any discipline. TAA-accredited organizations have transitioned former racehorses into five-star eventers, champions in the show ring, mounts for equine-assisted therapy programs, living tourism destinations, teachers of equine welfare in educational programs, and more.

Out of 81 TAA accredited organizations:

- 70 offer adoption programs
- 54 offer sanctuary
- 69 offer rehabilitation
- 13 offer equine-assisted programs*

**therapy programs, inmate programs, veteran programs, etc.*

To reward individuals and TAA-accredited organizations that help Thoroughbreds find success in competition, the TAA offers:

- TAA high point awards at horse shows to honor the TAA horse, rider, and respective accredited organization
- The Jockey Club Thoroughbred Incentive Program's TAA-Accredited Organization Adoptee Award

THE TAA'S IMPACT

81 Accredited Organizations

An infrastructure of nonprofits that operate with the highest standards.

\$20.7 Million Awarded

To support accredited organizations' efforts to retrain, rehome, and retire Thoroughbreds.

12,100 Thoroughbreds Assisted

Found new homes or careers in competition, pleasure riding, equine-assisted programs, and as companions.

ACCREDITATION APPLICATION & SITE REVIEWS

The accreditation application is a comprehensive review of the organization, medical and husbandry procedures, and plans to prove sustainability of operations. This review focuses on many areas including:

- Non-profit status
- Length of time an organization has been operating as an aftercare organization
- Financial stability
- History of caring for, retraining and placing of Thoroughbreds in adoptive homes
- Experience of managerial staff
- Insurance compliance
- Euthanasia and adoption policy and procedures

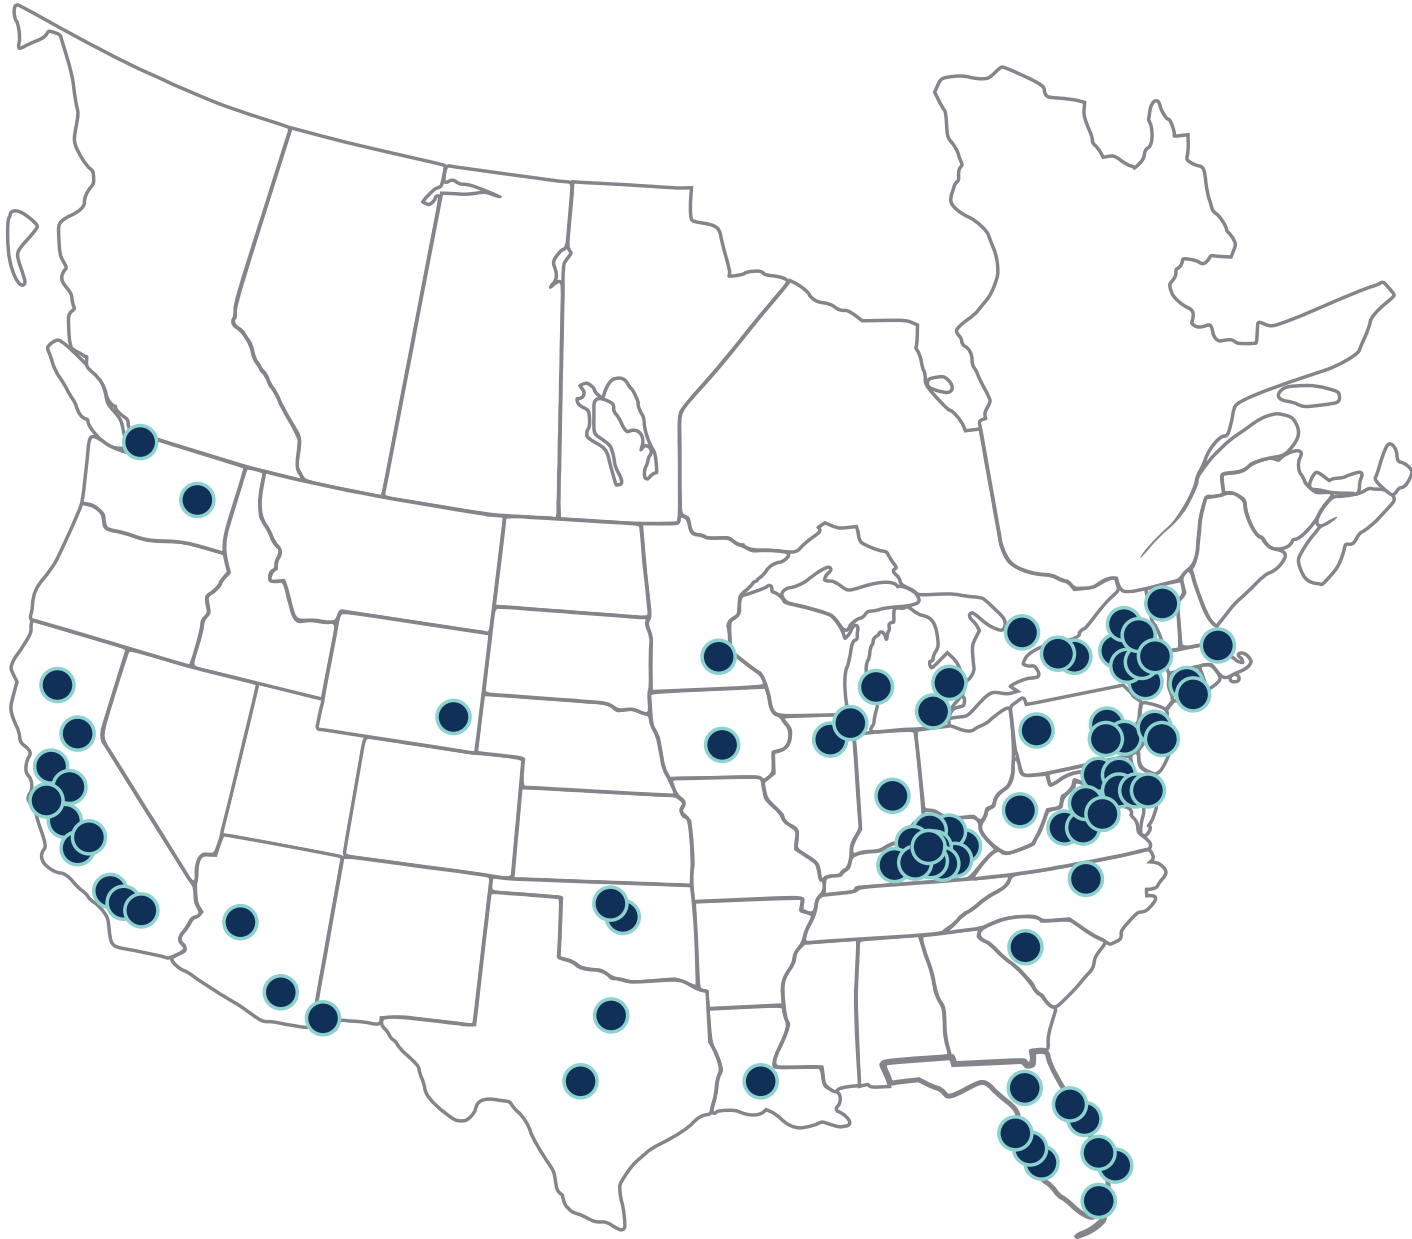

The accreditation site review is conducted by a veterinarian or TAA representative and focuses on the following areas per the TAA Code of Standards:

- Operations
- Education
- Horse health care management
- Facility standards and services
- Adoption policies and protocols

The TAA's Code of Standards and Accreditation process has been approved by the AAEP.

TAA ACCREDITED ORGANIZATIONS

81 Organizations

23 States & Puerto Rico

2 Provinces

170 Facilities

12,100 Thoroughbreds

Tranquility Farm, *Cottonwood, CA*
United Pegasus Foundation, *San Jacinto, CA*
Win Place Home, *Canyon Country, CA*

TAA FUNDING

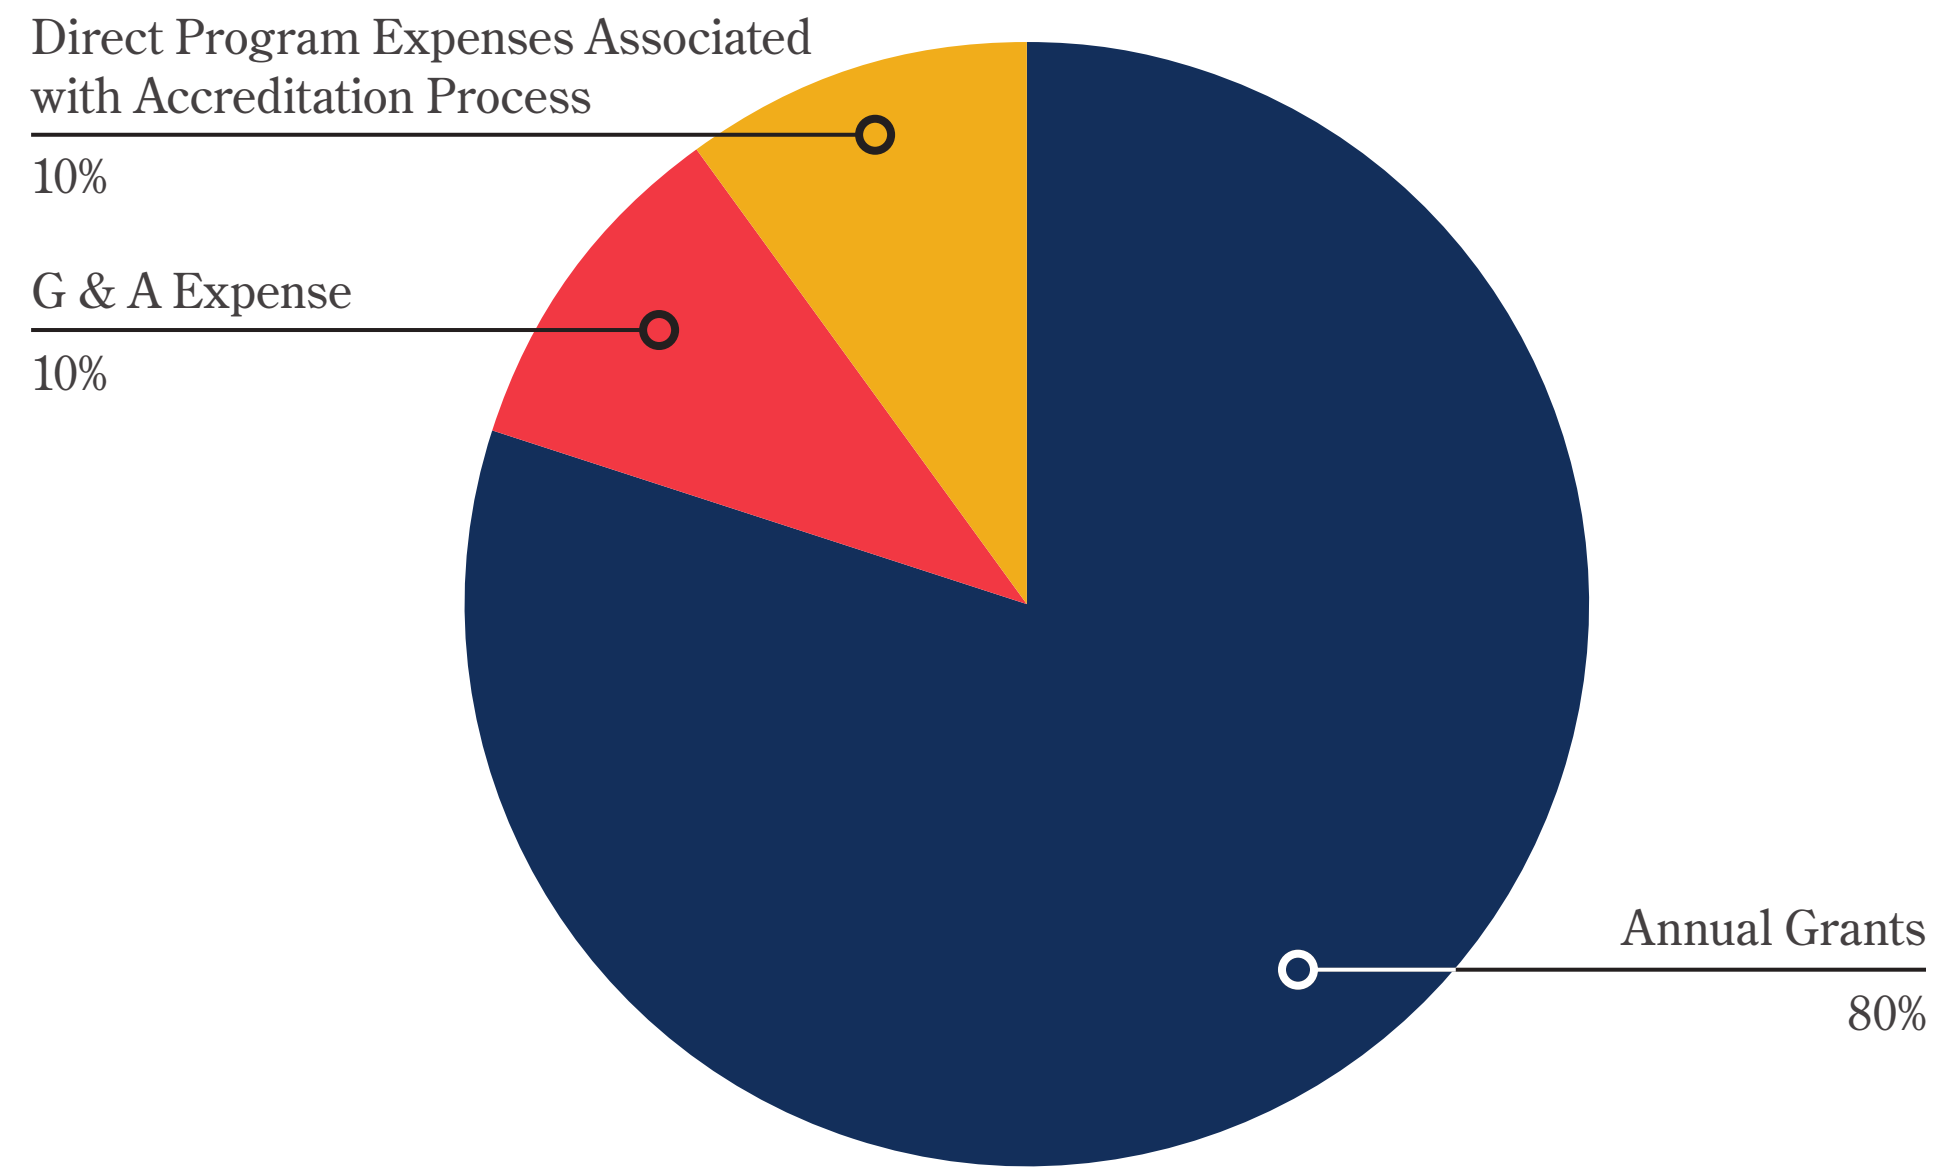

Since its inception and initial funding, the TAA has diligently sought to meet the challenging demands of aftercare for our athletes. We have broadened our donor base and developed numerous innovative efforts to increase the much-needed financial support of our partners.

Since 2012 the TAA has granted more than \$20.7 million to accredited organizations, which currently operate approximately 170 facilities across North America.

The demand greatly exceeds our ability to meet our requests for support. We will continue to explore ways with our industry stakeholders to address the funding needs of aftercare.

TAA ANNUAL EXPENDITURES

For the first few years of the TAA’s operation, 5% of revenues was allocated to a board reserve fund. This reserve fund exceeds the minimum as established by the TAA’s policy. As such, these funds are currently allocated to annual grants.

THE TAA FUNDING MODEL

More than ever before, there is increased public sensitivity to the question: What happens to Thoroughbreds after racing? If unanswered, it could be ruinous. The TAA is a legitimate and effective response.

Without the support of sustainable funding from key industry stakeholders, the TAA would not exist. The TAA's funding is provided by the generosity and mindfulness of industry stakeholders dedicated to accredited Thoroughbred aftercare, including stallion farms, racetracks, horsemen's groups, sales companies, owners, trainers, foundations, horseplayers, and more. See page 16 for the TAA's full list of industry stakeholders.

INDUSTRY SUPPORT FOR THE TAA

Amazing achievements happen when we work together, and the TAA industry stakeholders are our most valuable assets. We welcome the opportunity to discuss how the TAA can create a relationship that is perfectly tailored for you and your commitment to the Thoroughbred industry.

SHOWING THE INDUSTRY YOU SUPPORT AFTERCARE

As a sustainable funder, the TAA will provide you, your farm, racing stable or business with recognition year-round. While the TAA has multiple channels to promote your participation, we are open to ideas you may have as well.

- Inclusion on TAA website and TAA marketing materials
- Exposure through TAA social media and press activities
- Exposure at selected TAA events
- Recognition in the annual TAA magazine published by the Daily Racing Form

You can also show your support to TAA within your marketing efforts, with our “Proud Supporter” seal on your website and marketing materials.
