FUNDING

Since its inception and initial funding, Thoroughbred Aftercare Alliance has diligently sought to meet the challenging demands of aftercare for our athletes. We have broadened our donor base and developed numerous innovative efforts to increase the much-needed financial support of our industry stakeholders

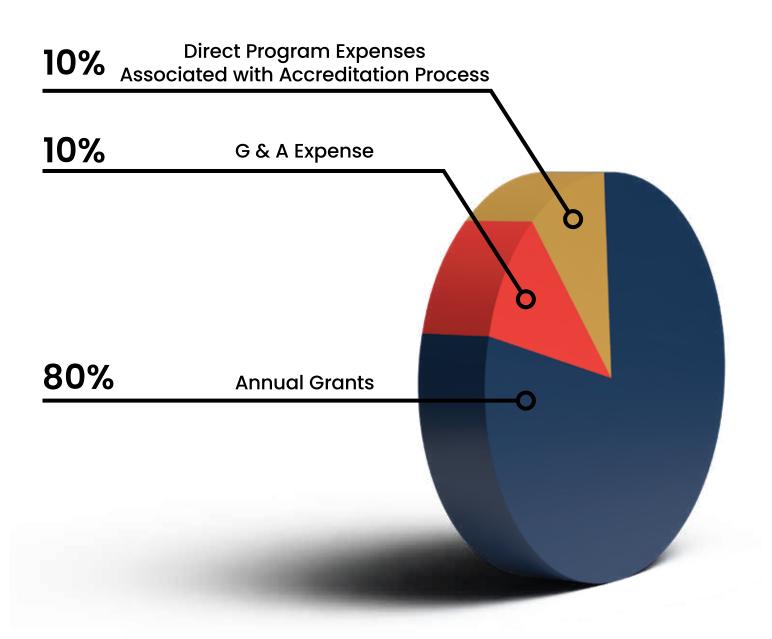

Since 2012, Thoroughbred Aftercare Alliance has granted more than \$36.04 million to accredited organizations, which currently operate approximately 175 facilities across North America.

The demand greatly exceeds our ability to meet requests for support. We will continue to explore ways with our industry stakeholders to address the funding needs of aftercare.

ANNUAL EXPENDITURES

FUNDING MODEL

More than ever before, there is increased public sensitivity to the question: What happens to Thoroughbreds after racing? If unanswered, it could be ruinous. Thoroughbred Aftercare Alliance is a legitimate and effective response.

Without the support of sustainable funding from key industry stakeholders, Thoroughbred Aftercare Alliance would not exist. Thoroughbred Aftercare Alliance's funding is provided by the generosity and mindfulness of industry stakeholders dedicated to accredited Thoroughbred aftercare, including stallion farms, racetracks, horsemen's groups, sales companies, owners, trainers, foundations, horseplayers, and more.

Refer to page 16-17 for complete list of industry stakeholders.

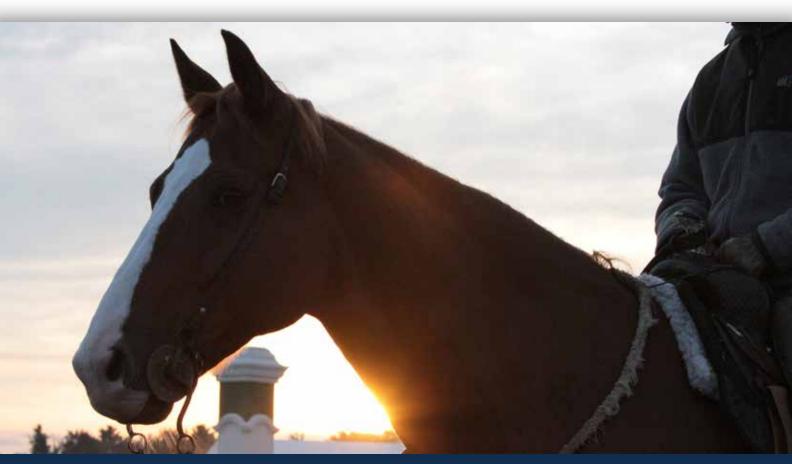

INDUSTRY SUPPORT

Amazing achievements happen when we work together, and our industry stakeholders are vital to the sustainability of Thoroughbred Aftercare Alliance's mission and our industry.

We welcome the opportunity to discuss how Thoroughbred Aftercare Alliance can create a relationship that is perfectly tailored for you and your commitment to the Thoroughbred industry.

SHOWING THE INDUSTRY YOU SUPPORT AFTERCARE

When you become a sustainable funder, Thoroughbred Aftercare Alliance will provide you, your farm, racing stable, or business with recognition year-round. While Thoroughbred Aftercare Alliance has multiple channels to promote your participation, we are open to ideas you may have as well.

- Inclusion on Thoroughbred Aftercare Alliance website and Thoroughbred Aftercare Alliance marketing materials
- Exposure through Thoroughbred Aftercare Alliance social media and press activities
- Exposure at selected Thoroughbred Aftercare Alliance events
- Recognition in the annual Thoroughbred Aftercare Alliance magazine published by the Daily Racing Form

COLLABORATIVE EFFORTS

Thoroughbred Aftercare Alliance collaborates with many aftercare efforts, including horsemen's groups, racetracks, and other equine breed associations in North America.

In addition to the current accredited organizations, Thoroughbred Aftercare Alliance currently works with:

- CARMA in California, Beyond the Wire in Maryland, and the Gulfstream Park Transition Program in Florida
